Hi Shelby,

You can discuss with Nicole or Kate who would be most appropriate to review Gao's notes. Either one of them is capable of doing so and since they are already involved with the case that would be best. I don't have the lab number(s) involved but if you need any assistance please let me know.

Thanks,

Elisabeth

Thank you Elisabeth.....is there anyone in particular who is testifying in replacement or should I just see if Nicole Medina or Kate Corbett can do it (they are the analysts on the two other certs in the case)? Thank you!

Hi Shelby,

I just received a summons that you sent to Xiu Ying Gao in the matter of CW. vs [REDACTED] scheduled for September 25 in Brockton. I want to let you know that Gao no longer works at the Drug Lab and will be unavailable for testimony. If you have any questions please call 617-983-6622.

Thank you,
